This 3/16/2016 Big Country son topped our annual bull sale and has the balanced EPD profile typical of his offspring. Our thanks to Mark Miller, North Platte, NE for his purchase of this top prospect.

Our senior herd sire, LFLC Big Country is making a major impact in top programs across the country. His progeny come easily and have lots of growth and muscle along with impressive eye appeal.

We also have some exciting calves sired by Wulfs Defend K909D, a red, homozygous polled Wulfs Xtractor X233X son that topped the 2017 Wulf sale.

**SEMEN ON BOTH BIG COUNTRY AND DEFEND IS AVAILABLE FOR \$40. CONTACT LIMI GENE FOR YOUR NEEDS.**
